

Premium Flap Wheels

Flap Wheels offer a quick and economical solution to working on both flat and contoured surfaces. The 'Flap Top and Bottom' design allows more versatility of application than 'Raised Hub' versions.

Manufactured using the highest quality industrial cloth, the wheel design is such that as the flaps wear down, new abrasive is continuously exposed. This action prevents clogging and gives a uniform, constant finish throughout the life of the wheel.

Part No.	Diameter	Width	Grit	Max RPM	Inner QTY	Outer QTY	Pack Type
FW3015040C	30mm	15mm	40	25,000	3	60	Clamshell
