Product Description

Solvit Citrus Clean is a powerful, 100% natural cleaner and stain remover made from extracts from orange peel and the distilled solvent from sugar cane. It has superior levels of active ingredients and does not use synthetic or perfume boosters for application or smell.

Application

Solvit Citrus Clean is suitable for most hard surfaces including glass and formulated to remove and dissolve glues, adhesives, gum, ink, dye, sap, wax, graffiti, paint clean up and much more. Ideal for removing stickers from glass and other non-porous surfaces, spot removing from carpets, curtains, furniture and clothing *(Test for colour fastness first)*, removing gum and many more applications where ordinary cleaners fail.

.Directions for Use

- **Cleaning –** Spray onto surface and wipe. Rinse with water when clean
- **Stain Removal –** Test for colour fastness first. Spray onto stain, rub into stain and rinse clean. Repeat if needed.
- **Removing Glue/Wax/Gum/SAP –** Spray Solvit Citrus Clean onto a sponge and apply directly to the area to be cleaned. Hold over sediment to be removed until it becomes soft and then wipe away. Rinse area clean.

Please Note: Solvit Citrus Clean is extremely strong and care should be taken when using this product by testing it first on an inconspicuous area prior to direct application to a surface. It **should not** be used on plastic, varnish, leather, suede, Perspex, french Polish, woollen Carpets and foam Rubber backed products.

Product Benefits

- Powerful fast acting surfactants
- Multiple uses for cleaning and spot removing
- Pleasant orange fragrance

QUICK RAG

Disposable Microfibre Cloths

Issue: October 2021

PRODUCT CODE	PACK SIZE	CTN / QTY
LQR030	30	12

Product Description

Lightning Quick Rag are clean, soft reusable microfibre cloths for use where a clean, dry and non-scratch cloth is needed for spills , wipe ups and many other tasks.

Application

Lightning Quick Rag come in a box of 30 separate 30cm x 30cm sized pieces and can be used for tasks such as – vehicle polishing, window cleaning, wiping hands, wiping spills, general cleaning and just about any use where a normal cloth rag was once used. They are an excellent choice for cleaning eye glasses without chemicals and for buffing automotive waxes off vehicles.

Lightning Quick Rag are a made from soft microfibre so will not scratch surfaces where they are used. The convenient tissue like box, holds 30 individual cloths and are far more convenient than trying to locate a dry, clean and soft rag in a workshop or other commercial establishment.

Lightning Quick Rag are washable and can be used again and again for just about any cleaning or polishing job. They can be used wet or dry, with or without chemicals. Highly water absorbent, they can absorb many times their weight. They have no hard edges, buttons or seems to remove the potential for scratching when polishing or cleaning.
