The SENIX X2 18V Brushless 9pc Combo Kit is the ultimate all-in-one toolkit, designed to tackle every drilling, fastening, cutting, grinding, and cleanup task on the jobsite. The 60Nm Hammer Drill and 180Nm Impact Driver deliver precision and power for versatile drilling and fastening, while the 125mm Angle Grinder, 184mm Circular Saw, and Compact Reciprocating Saw provide cutting performance across wood, steel, and masonry. For heavy-duty work, the SDS Plus Rotary Hammer makes anchoring and concrete drilling efficient, while the Oscillating Multi-Tool handles sanding, trimming, and fine detail jobs with ease.

A Jobsite Blower adds quick cleanup power with three-speed control, and the Mid-Torque Impact Wrench delivers 750Nm of fastening force—perfect for automotive and industrial applications. Complete with brushless motors, ergonomic grips, LED lights, and cross-tool battery compatibility, this powerhouse kit equips professionals to handle construction, renovation, and maintenance projects with unmatched efficiency.

Comes with 1x 2A Battery, 2x 4A Batteries and 1x 4A Charger.
